

Aluminum Utility Carts (U-Boat)

Custom Colors
Available

This heavy duty cart is slightly larger than its standard counterpart, but is equipped with the same unique features. The aluminum construction and 6 wheel design provides a durable yet **lightweight** cart. Great for use in stock rooms and may be stacked to save space when not in use. High quality design standards allow superior control over cart and load.

FEATURES:

- Constructed of heavy duty square sanitary aluminum tube
- Heavy duty steel powder coated handles
- Light weight cart can be stood on end when not in use in order to maximize space
- Unit comes standard with corner bumpers to help prevent fixture damage

REPLACEMENT PARTS:

- (2) 6" x 2" polyurethane center swivel casters with brakes, replacement order #B000312. Fasteners order #B000543 (bolt) and #B0001257 (nut).
- (4) 5" x 1.25" flat plate bolt on polyurethane corner wheels, replacement order #B000334. Fasteners order #B000006 (bolt) and #B001225 (nut).

8040590 (Shown with optional cardboard holder. Contact your customer service representative for more information.)
